No. P. 8/D of 1951.

OFFICE OF THE SURGEON GENERAL
WITH THE GOVERNMENT OF BOMBAY
Bombay, 19th June 1951

From

DR. B. B. DIKSHIT, M.B., M.R.C.P.E.,
Surgeon General with the Government of Bombay,
Bombay;

To

THE SECRETARY TO GOVERNMENT,
Local Self-Government and Public Health Department,
Bombay.

Subject.—Annual Report on Mental Hospitals in the State of Bombay for the year 1950.

I submit the Annual Report on Mental Hospitals in the State of Bombay for the year 1950.

BUILDINGS.

2. *Major Works.*—With a view to provide accommodation for the beggar lunatics detained at the Beggars Homes at Chembur and Visapur Government have administratively approved the work of constructing a 40 bedded ward at an estimated cost of Rs. 96,557 at the Central Mental Hospital, Yeravda. Government have also administratively approved the work of constructing an additional block for patients at an estimated cost of Rs. 1,21,326 at the Mental Hospital, Ahmedabad. These works have not been started yet owing to financial stringency.

3. *Minor Works.*—Minor works costing Rs. 31,047 were sanctioned at the Mental Hospitals, Yeravda, Thana, Ahmedabad, Dharwar and Ratnagiri during the year under report.

WATER SUPPLY.

4. The water supply was wholesome and sufficient throughout the year at the Mental Hospitals at Yeravda, Thana and Ahmedabad At Thana it was not sufficient for the Hospital garden. Scarcity of water was felt at the Mental Hospital, Ratnagiri, during the summer, viz., from March to May due to very limited supply from the Municipal water works and drying up of Hospital wells. The water supply at the Mental Hospital, Dharwar, was very scanty. The Municipal pipe water was very defective on account of replacement

of 1½" pipe by 1". Of the four bore wells only one was working and remaining were out of order. The main source of water for drinking purposes was from the garden well only. The water from the well was drawn by manual labour, i.e., patients. This arrangement is not satisfactory. Plan and estimate for providing an electric pumping plant to the present garden well have been forwarded to Government for their administrative approval. Administrative approval of Government has been accorded to the plan and estimate the latter amounting to Rs. 11,974 for the work of constructing a new well in the compound of this hospital. The work has not however, been started. There was no adequate arrangement for water supply at the Mental Hospital, Baroda, as the pressure of the Municipal pipe line was very low. The water for drinking and other purposes was brought from a well which is located behind the compound of the Hospital. A proposal to set up an Electric pump to the well is under consideration.

Accommodation.

5. Overcrowding at all the Mental Hospitals excepting the Mental Hospital, Baroda, continued throughout the year as can be seen from the following table showing the approved scale of accommodation and the actual population in the first week of January 1950 :—

Mental Hospitals.	Sanctioned accommodation in the 1st week of January 1950.			Actual population in the first week of January 1950.		
	Male.	Female.	Total.	Male.	Female.	Total.
Thana ...	240	150	390	482	382	864
Ratnagiri ...	134	42	176	168	40	208
Yeravda ...	804	443	1,247	1,043	662	1,705
Ahmedabad ...	206	61	267	336	140	476
Dharwar ...	138	61	199	224	82	306
Baroda ...	50	25	75	48	26	74
Total ...	1,572	782	2,354	2,301	1,332	3,633

There were thus 1,279 patients (729 males and 550 females) and in excess of the sanctioned accommodation.

Employment and Amusement.

6. The employment of suitable patients on various occupations such as gardening, weaving, tailoring, making coir-mats, carpentry, bidi-making, farming, sewing, knitting, embroidery, domestic

services, such as grinding, cooking, sweeping, etc., continued as usual. The daily average number of patients employed under Occupational Therapy in the various Mental Hospitals during the year 1950 was 1,397 and the percentage of the same to the total daily average works out to be about 38·2.

7. *Amusements.*—Indoor and outdoor games, such as carrom, ping-pong, cards, volley-ball, badminton, Ring-tennis, etc., were provided for the patients. Cinema shows, Jugglery, Magic shows, radio programmes, gramophone records, Bhajans, music were greatly appreciated. Patients were provided with bidies, tobacco, cigarettes, etc. Books, Newspapers, Magazines, Periodicals, were supplied to literate patients. On important festival days sweets and fruits were distributed among the patients and special dishes were included in their meals. A sum of Rs. 2,772 was spent on amusements and recreation of patients during the year under report.

VISITORS.

8. The official visitors in the Mental Hospitals at Ratnagiri, Ahmedabad and Dharwar were regular in their attendance and the remarks passed by them were satisfactory. In the remaining hospitals their attendance was not regular.

GENERAL.

9. *Provision for Parole.*—The system of sending the patients on parole relieved to some extent the congestion at the Mental Hospitals. During the year under report, 681 (408 males and 273 females) took advantage of it as compared with 656 in the previous year.

10. *Special accommodation.*—The scheme for the provision of special accommodation and facilities to patients who were prepared to pay for such additional amenities, introduced at the Central Mental Hospital, Yeravda, continued to be appreciated by the public.

11. *Mental Hospital Committee.*—Government appointed a Committee consisting of six members with the Surgeon General as the Chairman to examine and report on the working of the Government Mental Hospitals in this State. The recommendations made by the Committee are under the consideration of Government.

12. *Diet scales for Mental patients.*—Government accorded their sanction to the adoption of the revised diet scales for the patients at Government Mental Hospitals which was provisionally introduced at these hospitals pending their approval.

13. *White House.*—White House, a Bungalow about 2 miles from the Main Yeravda Hospital was rented for the patients and was also utilised to keep better class patients.

14. *Acknowledgments.*—The Department expresses its thanks to all bodies and individuals, who have extended their generosity towards providing additional comforts for patients in the various Mental Hospitals.

STATEMENT No. I.

15. *Population.*—The following table shows the admissions, population and the daily average strength of patients in the Mental Hospitals during the years 1949 and 1950 :—

	1949.			1950.		
	Male.	Female.	Total.	Male.	Female.	Total.
Remaining on 1st January ..	2,094	1,217	3,311	2,301	1,332	3,633
Total admissions during the year.	1,382	707	2,089	1,427	745	2,172*
Total population	3,476	1,924	5,400	3,728	2,077	5,805
Daily average strength ...	2,167·4	1,258·8	3,426·2	2,317·52	1,338·83	3,656·35

* Of this number 170 (99 males and 71 females) were re-admitted during the year.

16. *Discharges and cures.*—During the year under report 510 patients were discharged as "Cured", 408 as "Improved", 108 as "Not improved" and 645 as "otherwise" (which includes cases discharged on parole). The ratio of cured to daily average strength was 13·94 as against 14·56 during 1949.

17. *Sickness and mortality.*—The daily average number of sick treated in Mental Hospitals in 1950 was 231·13 as against 275·94 during the previous year. The percentage of sickness to the daily average strength was 6·3 as against 8·02 in 1949. On the whole the health of the patients was satisfactory. There were no cases of any epidemic disease in the Mental Hospitals during the year under report.

18. During the year 1950, the total number of deaths at the Mental Hospitals was 310 as against 304 in 1949. The percentage of deaths to the daily average strength was 8·5 as against 8·8 in the previous year. The following table shows percentages of deaths to the daily average strength at the several Mental Hospitals during 1950 and the previous year :—

Mental Hospitals.	1949.			1948.		
	Male.	Female.	Total.	Male.	Female.	Total.
Thana	14·7	5·9	10·8	9·5	10·6	10·02
Ratnagiri	5·26	9·50	6.10	1·6	2·5	1·8
Yeravda	8·7	11·2	9·6	9·84	6·97	8·73
Dharwar	6·6	1·2	5·1	6·9	6·5	6·8
Ahmedabad	5·8	4·8	5·5	8·3	10·4	8·9
Baroda	Figures not available.			12·7	4·2	9·9

The chief causes of deaths among the inmates of the Mental Hospitals were-Dysentery 16, General Debility 58, Tuberculosis 68, Diarrhœa 11, Anæmia 67, Status Epilepticus 9, Pneumonia 17.

STATEMENT No. II.

19. In the year 1950, 1,253 cases were under observation at the various Mental Hospitals, as compared with 1,109 in 1949. Out of these, 1,057 cases were certified and admitted and 107 released as uncertifiable as compared with 890 and 108 respectively in the previous year.

STATEMENT No. III.

20. The total number of criminal insanes confined in the Mental Hospitals was 206 (185 males and 21 females), as compared with 194 (178 males and 16 females) with a daily average strength of 116 as compared with 110·51 for the year 1949. Of these, 115 were admitted under section 466 of Criminal Procedure Code, 16 under 471 (*ibid*) and 12 under section 30 (*1*) of the Prisoners Act, 1900.

STATEMENT No. IV.

21. Of the total number of patients admitted for treatment (2,172), 1,756 were Hindus, 203 Mohamedans, 1 European or Anglo-Indian, 171 Indian Christians and 41 belonging to other castes.

STATEMENT No. V.

22. *Ages of insanes admitted.*—According to the age groups the patients admitted for treatment during the year under report were as shown below :—

Under 20 years	202
Between 21 and 40 years	1,441
Between 41 and 60 years	456
Upwards of 60 years	60
Patients whose ages are not known ...	13
Total ...	2,172

STATEMENT No. VI.

23. *Forms of Mental Disorders.*—The principal forms of Mental disorders treated during the year under report were :—

	Number of cases.
Mania	730
Melancholia	796
Schizophrenia (including Dementia Præcox) ...	1,491
Mania Depressive Insanity	1,089
Mental Deficiency	430
Paronoia Paronoid States	116
Secondary Dementia	118
Canabis Indica Psychosis	54
Epilepsy and epileptic Insanity	218

STATEMENT No. VII.

24. *Probable causes of Insanity among patients.*—The principal predisposing and exciting causes among patients were :—

(1) Mental Stress	467
(2) Toxins	62
(3) Hereditary Predisposition	26
(4) Bodily illness	103
(5) Old age	15
(6) Epilepsy	65
(7) Previous attacks	146

STATEMENT No. VIII.

25. *Cash Accounts—Receipts.*—The receipts from paying patients during the year under report amounted to Rs. 4,71,495 as against Rs. 4,86,737 in 1949. The value of stores received from Manufacturing Departments less the cost of raw materials was Rs. 70,178 and miscellaneous receipts amounted to Rs. 10,717. The total receipts under three heads amounted to Rs. 5,52,390 as against Rs. 5,49,995 in the previous year.

26. *Expenditure.*—The gross expenditure on maintaining the Mental Hospitals amounted to Rs. 32,19,027 as against Rs. 32,08,127 in the previous year. Deducting the receipts from the actual expenditure, the net cost to Government was Rs. 21,14,247 as against Rs. 21,08,137 in 1949.

27. The following table shows the average cost per patient per annum in the Mental Hospitals during the year under report and theprevious year :—

Mental Hospitals.	1949	1950.
	Rs.	Rs.
1. Thana	792	713
2. Ratnagiri	652	688
3. Yeravda	1,081	1,028
4. Dharwar	631	594
5. Ahmedabad	810	722
6. Baroda	...	898

The amount spent on original works (Major and Minor) at the Mental Hospitals are excluded from the expenditure in calculating the cost per patient per annum.

28. A summarised report of the Central Mental Hospital, Yeravda, is attached as an appendix to this report.

B. B. DIKSHIT,

Surgeon General with the Government of Bombay.

ANNUAL ADMINISTRATION REPORT ON THE CENTRAL MENTAL HOSPITAL, YERAVDA, POONA, FOR 1950.

Dr. G. A. Bhagwat, M.D., B.Sc., B.M.S., Class I, was the Superintendent of the Central Mental Hospital, Yeravda, throughout the year.

Accommodation.—On the 1st January 1950 there were 1,705 Patients as compared with 1,692 Patients on the same date of the previous year.

The daily average number in residence was 1,706·96 as against 1,716·39 for the year 1949. The number in residence was 1,721 on 31st December 1950.

The authorised accommodation at the Central Mental Hospital, Yeravda, Poona 6 is as shown below :—

	Males.	Females.	Total.
Europeans ...	141	74	215
Indian Section No. 1 ...	124	127	251
Indian Section No. 2 ...	406	178	584
Acute Section ...	34	11	45
Infirmary ...	79	53	132
White-House ...	20	...	20
Total ...	804	443	1,247

Due to the progressive rise in the population, it was not possible to accommodate patients comfortably during the year under report. The existing blocks were always overcrowded.

Admissions.—Admissions during the year were 576 males and 317 females—a total of 893 (excluding 18 males and 16 females re-admitted after parole) the total number being 927 as against 930 of the previous year 1949.

The total number of patients treated during the year 1950 was 2,632.

Discharges.—Of the patients discharged during the year, 181 were considered as " recovered ", 26 as " not improved " and 455 as " otherwise ".

Deaths.—There were 149 deaths and 2 escapes during the year under report. The death rate (including escapes) worked out for the year 1950 on the basis of the average number in daily residence was 8·7 per cent. as against 9·73 per cent. of the previous year.

Health of Patients.—The general health of the patients was good. There was no epid during the year 1950

Occupational Therapy.—The daily number of patients who were occupied in the Hospital Garden, Weaving Sheds, Carpenter's workshop, etc., during the year 1950 was 299 males and 140 females —a total of 439 patients.

Special Therapy.—(*i*) Insulin shock therapy given to 105 cases.

(*ii*) Electric Shocks given to 398 cases.

(*iii*) Prefrontal Leucotomy was carried out on 23 cases.

(*iv*) Psychological treatment was given to suitable cases which included Narco-analysis and Narco-therapy.

The percentage of improvements in the above special Therapies during the year 1950 was as under : –

	Male.	Female.
(*i*) Insulin Shock Therapy ...	48 per cent. ...	29 per cent.
(*ii*) Electric Shock Therapy ...	56 per cent. ...	60 per cent.
(*iii*) Leucotomy operations ...	43 per cent. ...	56 per cent.

The results of the treatment is as under :—

Name of Special Therapy.	Results of the treatment.		
	Number cured.	Number relieved.	Number of cases where no improvement is noticed.
Insulin Shock Therapy ...	36	32	8
Electric Shock Therapy ...	236	139	50
Prefrontal Leucotomy ..	6	6	11

There was no mortality attributable to these operations.

Amusements.—The Recreation Clubs in the male and female sections are for the patients where they collect daily to read newspapers, books and listen to the Radio programmes and play billiards and other indoor games. Every Tuesday and Thursday the patients have social evenings, when more than 100 patients gather together in the Club. Besides, number of patients took part in the outdoor sports. On important festival days of various communities especially of Parsee Community sweets and special dishes were provided for the patients

The percentage of patients took part in games, etc., is as under :—

(i) Games	... 23 per cent.
(ii) Cinema shows outside ...	... 4 per cent.
(iii) Radio programmes ...	... 50 per cent.
(iv) Bus drives	... 5 per cent.

An amount of Rs. 999-3-6 was spent on amusements, etc., from the discretionary grant during the Calendar year 1950.

Visitors.—His Excellency the Governor of Bombay Raja Maharaj Sing paid a visit to the Central Mental Hospital, Yeravda, on 29th June 1950.

The attendance of the members of the Visitors' Committee was not satisfactory. Throughout the year the Social Workers visited the patients in the Hospital twice a week.

The work of investigating the social histories of the patients is being done satisfactorily.

The appointment of Psychiatric Social Worker at this hospital has been continued and the work has been carried on satisfactorily.

Acknowledgments.—The Hospital is indebted to the management of the *Bombay Chronicle* daily and Sunday Edition for supply of copies of their issues to the patients free of charge. Acknowledgment is also due to Shri A. C. Patel and others for donating money and distributing sweets to the patients on festive occasions.

The hospital is also indebted to Shrimati Amy Seervai for giving and fixing two tube lights in the Recreation Hall of this Hospital for the patients.

White House.—White House, a bungalow about 2 miles from the main Hospital, is continued to be rented for the patients and has been utilised to keep suitable class and ordinary patients.

Water Supply.—The water supply was wholesome and sufficient throughout the year.
